BAY ST. LOUIS TO GET SAND BEACH

Stennis - Colmer Day To Be Held In Gulfport; Countians Invited Draw Span of Proposed Bridge....

Observations...

By the Editor

We wish it were possible in each issue of the paper to be able to extend compliments and to say a word of praise of things accomplished throughout Hancock County, particularly in Bay St. Louis. At this time there are several projects which have been completed, or are now in process, which deserve comment and commendation. First, the well on Leondard Avenue, and A Street has been turned into the mains and the people at the other end of town will now have a splendid supply of water. The pressure on the line, we understand, is 45 pounds. This well is part of the program of the City Fathers to improve the water system for Bay St. Louis. And while we are on the subject of the City, we want to congratulate the Mayor and Commission Council for the start they have made towards cleaning up. We note, with pride, that the grass and weeds on the beach from 'St. Charles' street south road, which have been growing through the joints in the concrete road, are being cut. This is the start of the removal of a real eyesore - may it continue until our whole town is as pretty as it were clean. But our greatest joy lies in the fact that we are to have a sand beach, and all for free. Thanks to Merritt, Chapman and Scott, the Mayor and Commissioners, the Hancock County Chamber of Commerce, the Park and Playground Commission, and to the Property Owners on the Beach from McDonald's Lane to DeMontluzin Avenue, who so graciously cooperated and signed easements for the fill to be put in. At this time pipe is being moved along the beach front, and the pumping will soon be on its way. If we could only have such perfect cooperation in all civic matters, what a real town Bay St. Louis would be. Perhaps the day is not too far in the offing. Or are we just day dreaming.

There are many things yet to be done, and next in importance to sand beaches, is the question of a public pier. The old pier of the old bridge will make a good public pier. We should bear this in mind, and remember that the Legislature meets in January. The highway commission has already passed orders for the demolition of the bridge and for the use of the material in other sections of the State. Hancock and Harrison Counties paid one half of the cost of this bridge. The other part was paid for by the federal government. A token repayment was made by the last legislature to the county for its share of money spent on Highway 90 and for the bridges constructed on this route. We are entitled to a part of this bridge for public use as a pier, and we should ask the Legislature of 1952 to pass a bill which would pass the ownership of at least 1500 feet of the old bridge to the City of Bay St. Louis for such use. Such legislation would be the answer to another prayer. But, bear in mind, we cannot just think about this. The responsibility should be placed upon someone to see that it is carried to a definite conclusion.

I W V Discusses Its Constitution

The Bay St. Louis League Women Voters held its regular meeting Tuesday night at the R. E. A. Building with Mrs. Paul M. Miller, president, presiding. A number of matters came up for discussion, and several adjustments were made. Mrs. E. C. Samuel, secretary, read the by-laws and constitution and asked for criticisms and comments. An amendment was passed that the League have two members elective and two members appointive on the executive board in-

Mass will be celebrated at Bayou LaCroix Catholic Church Sunday, October 28, Feast of Christ the King, at 6:00 a. m. Monsignor A. J. Gmelch, pastor, announced. Confessions will be heard at 5:30 a. m.

W B A Plans Rally

Mrs. Nellie Nelson, financial secretary Review No. 10 Womans Benefit Association, met on Monday of last week with Mrs. Pearl H. Croy of Birmingham, Alabama, state field director of the association. Mrs. Croy came to Bay St. Louis with Mrs. Nelson and registered at Hotel Reed.

With the members of the W B A, she met at the home of Mrs. Theo Tudury to discuss the national convention to be held at the Shamrock Hotel, Houston, Texas in November, 1952.

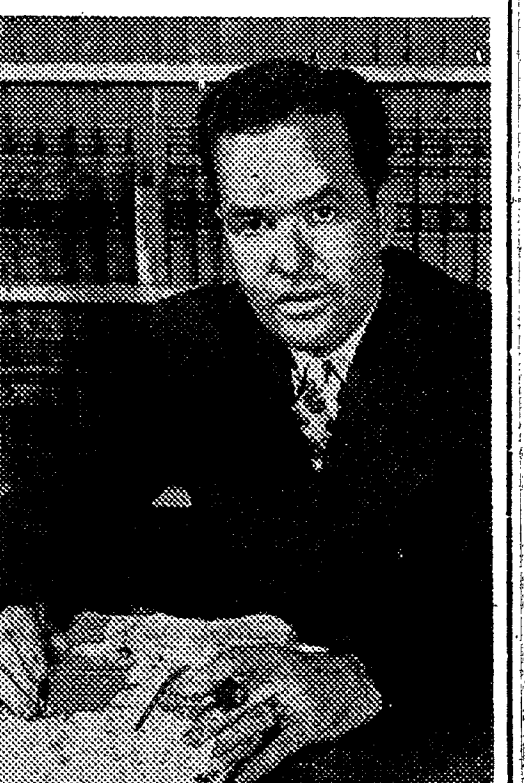

Mrs. Croy urged all members of the local W B A to attend this convention. She also made plans for a rally for the five Southern states to be held at the Markham Hotel in Gulfport early in January.

Schedule World Community Rites

The program for the World Community Day services will be held at Christ Episcopal Church, on Friday, November 2 at 3:00 o'clock in the afternoon.

The theme of the meeting is "Live By Faith" and members of the different churches will lead the discussions on these topics: the Episcopal church on "Learning Together"; the Baptist church, "Working Together"; the Methodist church, "Worshipping Together"; and the Presbyterian Mission will have the devotionals. The Baptist Mission on Felicity street is invited to participate as are all of the churches.

Dan M. Russell, Jr., local attorney, was appointed a Colonel on the staff of Governor Earl K. Long of Louisiana October 9.

stead of four as has been in the past. Duties and advantages of a state league of Women Voters were discussed at length.

A resolution was passed that the league would pay the expenses of the delegate to the state conference to be held in Jackson.

A final order has been entered by the Supreme Court in the suit of the Merchants Bank and Trust Company against the City of Bay St. Louis, and the Mayor and Commission Council, dismissing the appeal of the Bank from a judgment rendered against it September 22, 1950, in the Circuit Court of Hancock County. The order of dismissal stated that the appellant, Merchants Bank and Trust Company, had failed to prosecute its appeal.

The case was an outgrowth of a loan made by the Bank to the City of Bay St. Louis during a former administration, wherein the resolutions were not properly placed of record in the minute books, and the bank filed a suit to mandamus the present city administration to change the records, to show what purported to have transpired in effecting the loan from the Bank to the City of Bay St. Louis. The amount of the loan was \$7500.00.

The Circuit Court had held in favor of the City Administration, that the mandamus should not issue, and that they could not be made to change the record, to conform to what was alleged in the bank's petition for a writ of mandamus.

A Stennis-Colmer day celebration will be held in Gulfport Thursday, November 1, starting at 10:00 a.m.

This celebration, which will embrace a program to continue on into the night, is being planned by Hancock, Harrison and Jackson Counties to honor Senator John Stennis and Congressman Bill Colmer.

The Hancock County Chamber of Commerce, represented by Howard W. LeTissier, was a member of the planning committee at a meeting held Friday, October 19. At this time, it was announced that Hancock County's contribution to this affair would be \$500.00; Harrison County's, \$3,000.00; and Jackson County's, \$1500.00.

To start the day off Thursday, a parade will be held at 10:00 a. m. through the streets of Gulfport with all bands of the three counties participating; all distinguished guests will ride in this parade.

From 11:00 a. m. until 12:30 p. m. speeches will be heard and the guests and speakers will be introduced. The main speech of the day will be made by Senator Stennis who will be introduced by Congressman Colmer.

A seafood luncheon, free of charge, will be served to everyone present from 12:30 to 1:30 p. m.; this will be followed by a band contest, marching and playing, with all bands in the three counties taking part, will be held at 2:00 p. m.

Ploues Injured In Wreck Oct 22

John Ploue Sr., and his son, John Jr., were treated at the Kings Daughters hospital Monday, October 22, for injuries received when the truck in which they were riding, collided with a dump truck driven by Joe Mollere, Paul Egloff, deputy sheriff, stated.

According to Deputy Egloff, the accident occurred at the intersection of Nicholson Avenue and the Old Spanish Trail. The official added that Mollere was driving south, and the Ploues were headed west.

Mollere was not injured, but John Ploue Sr., sustained a hand injury and his son received a gash above the left eye and elbow.

Official Proclamation

PROCLAIMING ALL SAINTS' DAY AS A HOLIDAY

Since November 1, 1951, is All Saints' Day and a time set aside when special tribute is paid to the memory of the dead, when the public visits the cemeteries and decorates the graves with flowers and religious ceremonies is the order of the afternoon, and it is fitting that one and all visit the "Cities of the Dead" and pay respect by their visit and prayerful solicitation;

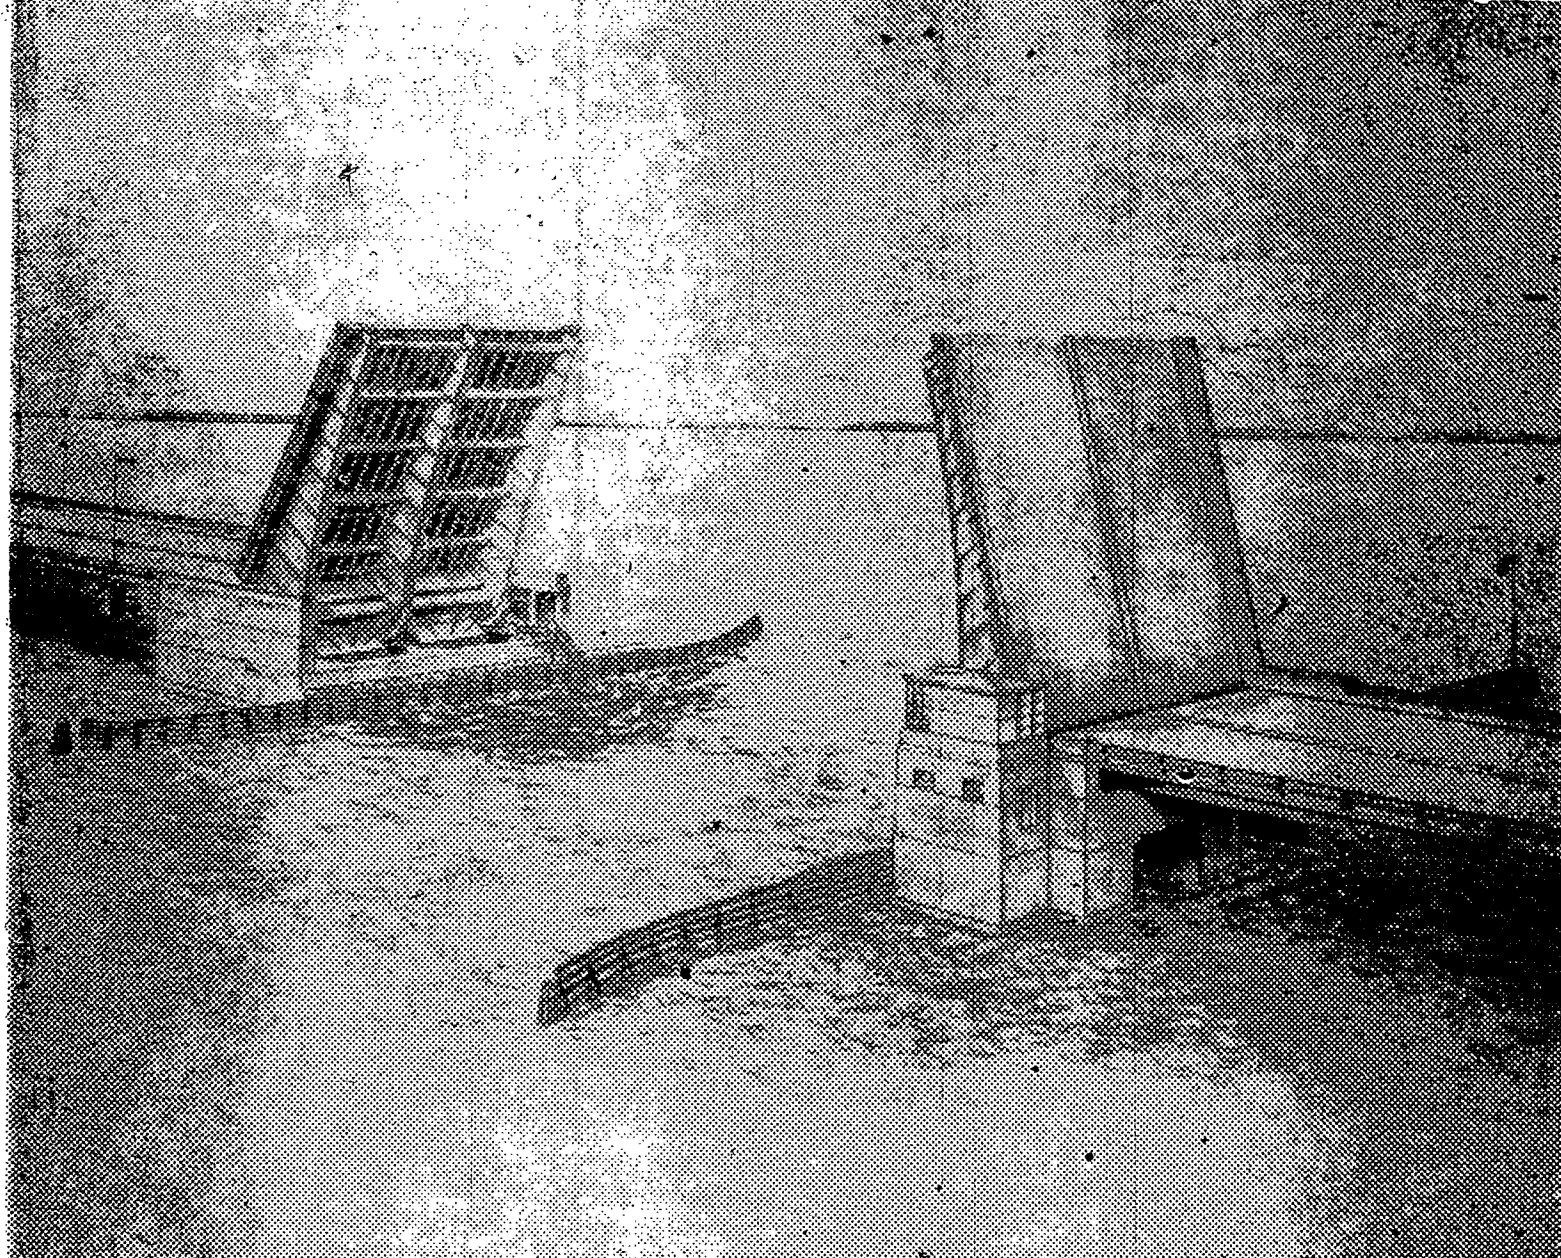

And since All Saints' Day is recognized over this entire section of our Southland, and in some places a legal holiday, and in Bay St. Louis always a day of thought and consideration, as befitting such an occasion;

THEREFORE, I Warren Carver, Mayor of the City of Bay St. Louis do issue this as the City's official proclamation declaring Thursday, November 1, 1951, as a holiday, and further, officially requesting that all places of business be closed on that day, Thursday, November 1, 1951, in order that the public engaged in business and those employed by them may visit the cemeteries and pay respect to the memory of the departed.

Given under my hand and official seal at the City Hall this 25th day of October, A. D., 1951.

WARREN CARVER, Mayor.

ATTEST:
J. CYRIL GLOVER
SYLVAN J. LADNER, JR.,
Commissioners.

The new bridge across the Bay of St. Louis will have a modern double leaf, electrically operated draw span, shown as it will appear when open in above picture, known as rolling lift bascule, providing a horizontal clearance of 100 feet. The bascule span with its steel side spans will total 317 feet in length. There will be two 26 foot roadways separated by a three foot raised median strip along the center line of the bridge and a three foot sidewalk on each side.

Safety gates with flasher lights and bells will be provided for the draw span and the entire bridge will be lighted with mercury vapor lamps of the latest design. Adequate protection to shipping will be provided by means of an elaborate fender system defining the channel through the draw spans and a system of navigation lights and signals conforming to requirements of the U. S. Coast Guard regulations. A diesel electric standby power plant will be provided to insure operation of the draw span and signal lights in the event of a temporary failure of commercial power.

The concrete trestle approaches will have the same roadway width and sidewalks as provided for the draw span. The west approach will be 5,617 feet and the east approach 4,264 feet long, which, together with the draw span, will provide a total bridge length of 10,198 feet. The approaches will consist of reinforced concrete girder spans, each 41 feet long, supported on precast concrete pile bents. Railing on the bridge will be a low open type permitting an unobstructed view of the water and other surroundings. This type of approach structure is relatively simple to build and lends itself to a rapid construction schedule, and at the same time is economical as to cost and use of critical materials.

U. S. Highway 90 is on the national system of interstate highways and carries a substantial portion of the nation's transcontinental traffic. It is also considered by the War Department as one of the country's most strategic highways and vitally necessary to adequate defense of this nation. The bridge is designed according to the national standards prescribed for a highway of that type, and is thus eligible for governmental priority assistance in the procurement of critical materials needed for construction.

Design and construction of the bridge is under supervision of Hazelt and Erdal, consulting engineers of Louisville, Kentucky, who are represented by Charles S. Hill, resident engineer, Bay St. Louis. The Contract for construction of the bridge was awarded to Merritt, Chapman and Scott Corporation of New York, represented by R. M. Hand, project manager.

SJA Alumnae Group to Sponsor Book Review Tuesday, Nov. 20

They were taken to the Baptist hospital, New Orleans, by Fahey's ambulance following treatment here.

Mollere was driving a one and a half ton dump truck, and the Ploues were in a half ton pick-up truck. They were brought to the local hospital by Mrs. Louis Sellers.

Approximately 85 members were in attendance at a meeting of the St. Joseph Academy Alumnae Association Sunday, October 21.

Following the reading of minutes, it was voted that former students of the Academy who attended St. J. A. at least one year in high school could become associate members of the organization, but they would not be allowed to hold any of the major offices of the group.

Miss Ruth Cazeneuve, treasurer, gave her annual report, followed by reports of the various committee chairmen. Mrs. Octave Delph, Literature and Education, announced that the Alumnae would sponsor a book review, to be given by Rev. F. Sheridan, S. J., Tuesday, November 20, at 3:00 p. m. The fee for the review, which will be on "Schnozola," the story of Jimmy Durante, will be \$1.00.

Mrs. Delta Jacobi, Spiritual Life chairman, reported that a Day of Recollection will be held on the third Sunday in conjunction with the induction of the senior class of 1952 into the association and the annual Spring meeting.

The Alumnae voted to work on a joint project for the coming year—raising funds for the purchase of a cyclorama and helping Sister Albertine raise the remainder of the money necessary to purchase a statue of St. Joseph to be erected in front of the school. Mrs. Joseph Colson was named chairman of this project; she will appoint a committee to work with her at a later date.

Miss Lucia Metzler, Class of 1950, won the entrance prize; and Miss Kate Hoffman, Class of 1950, was given a remembrance as the oldest graduate present.

Miss Kathleen Renshaw, president, presided at the meeting after which refreshments were served by members of the Hospitality committee under the direction of Miss Clara Kergosien, chairman.

Bay High P. T. A. To Give Students Halloween Party

The Bay High P. T. A. is sponsoring a Halloween party Wednesday, October 31, at 7:30 p. m. in the Bay High gym.

All children in the first through the sixth grades are invited; this includes students from Webb and Taylor schools.

Everyone is asked to come masked as a prize will be given for the best and most original masker. Refreshments will be served, and a good time is promised to all, Wayne Alliston, P. T. A. president, stated.

The children are asked to bring their parents and little sisters and brothers.

Gas Engineer Speaks At Rotary

C. A. Profit, gas engineer employed by the city of Bay St. Louis, was guest speaker at the Bay Rotary club Wednesday.

Mr. Profit spoke on the gas system of the city and the leakage which he is employed to locate and correct in the gas distribution system.

The speaker said that his records show an excessive big leakage of about 50 per cent and he hopes that he may have that reduced in the near future. Some pipes will have to be replaced, he said, as he exhibited items and showed crust formations which cause pipes to give way. He also showed a gas meter and explained how it functions.

Mr. Profit is a former Rotarian of Monroe, La., and a past president of the Monroe Rotary club. The program was under the direction of T. T. Robin.

Mayor Warren J. Carver, and Commissioners Sylvan J. Ladner and J. Cyril Glover, have announced that they have completed securing easements for the pumping of sand on the beach front by the firm of Merritt, Chapman and Scott.

The movement of pipe has started, and the actual pumping from the channel, which is being dredged at the bridge site, will follow. This sand, to be pumped at no cost to the city, will be used to form a sand beach from McDonald's Lane to DeMontluzin Avenue, a distance of approximately 1250 feet, at a width of 200 feet and a depth of approximately four feet.

The Mayor and Commissioners, together with A. H. Gregory, president of the Hancock County Chamber of Commerce, and members of the Park and Playground Commission of the City of Bay St. Louis have made this possible. They have worked untiringly for the past two weeks in this behalf, conferring with officials of the Merritt, Chapman and Scott firm, and in securing easements so that the work could proceed upon the completion of the pumping of the sand on Second street.

Easements have been had from Mrs. Sarah Power, Mrs. Leo W. Seal, C. C. McDonald Sr., H. W. LeTissier, the Mississippi State Highway Department, Mr. and Mrs. Leo Kenney, the City of Bay St. Louis, the Episcopal Church, Lucien M. Gex, Miss Vickie Gex, Mr. and Mrs. Robert L. Genin, Mrs. Cora Horton, Mr. and Mrs. Charles Genin and Miss Geraldine Ames. These are all of the property owners along the beach front from McDonald's Lane to DeMontluzin Avenue.

This is the first sand beach project for Bay St. Louis and it is contemplated that the Park and Playground Commission will take over its maintenance.

March Of Dimes Help Nearby Polio Stricken Victim

Those nickels and dimes contributed to the National Foundation for Infantile Paralysis annually went to work last week to relieve the suffering of Paul Terrell, resident of Hattiesburg, Mississippi, who was stricken with bulbar polio while at work in Gulfport, Friday, October 12. Mrs. Theo Tudury, County chairman, stated. When Terrell, who worked in a Gulfport lumber yard, suffered a complete paralysis of his respiratory system, an iron lung was secured from Keeler Air Force Base, Biloxi. Shortly after he was placed in the lung, the apparatus broke and breathing became difficult for him.

While a search for another lung was underway, Terrell was kept alive through the efforts of members of the Gulfport Fire Department who administered artificial respiration and used their chest lung which was purchased through public donations, for three hours.

Fahey's Emergency Service, through their 2-way radio system, was contacted immediately and asked to work the New Orleans area to help locate an iron lung. One was found at Charity hospital Polio Clinic as a result of the efforts of Mrs. Leo Neal, Secretary of the Louisiana office.

In response to this emergency call, Norton Guock and Lawrence Figallo of Security Warehouse Transfer Company, which loaned a truck, with a Louisiana Highway Patrol escort brought the respirator to the state line where they were met by David McDonald, in a truck belonging to W. A. McDonald & Sons, Fahey's Emergency Service and members of the Mississippi Highway Patrol.

Upon its arrival at the Biloxi hospital, Terrell was placed in the respirator, and within 45 minutes had responded. For three days he lived in the iron lung, but his case was so far developed that death came Monday, October 15.

The lung, Mrs. Tudury added, belonged to the National Foundation of Infantile Paralysis; it was purchased by donations given by the public during the annual March of Dimes campaign.

A few counties within the state own iron lungs, but at the time of this emergency, they were in use; and, if the Louisiana Chapter had not had an available one, the nearest lung would have been located in Memphis.

"Each County should have its own iron lung," the County chairman stated. "It can only be purchased."

Cooperation Will Work Miracles

A bit of public spirit and some cooperation is, and will always be, the answer to the future development of Bay St. Louis and Hancock County. This could not have been more forcibly exemplified when Mayor Warren J. Carver, Commissioners Sylvan J. Ladner and J. Cyril Glover, cooperating with members of the Hancock County Chamber of Commerce and members of the Park and Playground Commission of the City of Bay St. Louis set about to enlist the aid of the firm of Merritt, Chapman and Scott, bridge contractors, to give Bay St. Louis its first sand beach.

It appeared at first to be a lost cause. The contractors had contacted, through their representatives, certain residents along the beach and were refused permission to pump the sand from the channel they are dredging to a point along the beach; so, they then made arrangements to have the sand pumped in the swamp area along Second Street. Upon being apprised of these arrangements, Mayor Carver, Commissioners Ladner and Glover, A. H. Gregory, president of the Chamber of Commerce, and George Horton, a member of the Park and Playground Commission, and other interested people, immediately went to work. The officials of Merritt, Chapman and Scott were contacted and expressed their willingness to pump the sand along the beach in the space designated by the Mayor and Commissioners providing easements were secured of the property owners. This expression of willingness on the part of the contractors, was not the end. It was necessary that every property owner in the area be contacted and their signature secured to easements. It meant personal calls and many conferences. Time was an element, and the pumping was to start on Second Street, right away. It would take only a few days to pump in the amount the contractors had agreed to in the area. For one time perfect coordination was had on a matter of civic improvement; and, in the final, every property owner signed the necessary easements which now assures Bay St. Louis a sand beach.

This is not the end. The mere pumping of sand does not complete the job. It is going to be a question of holding this sand in place. The Board of Supervisors have the right to erect groins or retaining wall under the road protection act, and there should be sufficient money or overplus in the road protection bond fund which should be used for this purpose. If the aid of the Board of Supervisors is secured, this will be another step toward fuller cooperation, and then, the matter of facilities and upkeep is the problem of the Park and Playground Commission.

The results acquired through the untiring efforts of those who were actively engaged in making possible our first sand beach, should be an incentive to many others to become interested in the welfare of their community and their country. It is only through such cooperation that we may hope to build a bigger and better City and County.

To our City officials, to the firm of Merritt, Chapman and Scott and to all others who gave their time to make possible this much needed project for Bay St. Louis, we say, not only for ourselves, but we think for all of the people of Bay St. Louis, Thank You.

night at the expense of the Delgado Trade School of New Orleans.

Bill Corr, a freshman Tiger halfback, was the outstanding back and picked up yardage consistently with his elusive running through the Trade School line.

Herman Pollion also played an excellent game on both offense and defense. He got off some excellent kicks; and his first kickoff, which was recovered by Malcolm Moreau on the two yard line, set up the first Tiger touchdown.

Lionel and Grannison Sellers have been playing good ball, and as a result they have both been asked to be the guests of Coach "Slick" Morton at the traditional Ole Miss - Miss. State game.

Billy James is suffering from a bruised elbow received in the Delgado game. He probably will be O. K. by Friday night when the Tigers meet the Lumberton Bearcats. This will be the Tigers Homecoming, and plans are being made for a gala celebration.

Vernon Parker kicked both points after touchdowns last Friday. This was the first attempt of the Tigers to kick the point after touchdown in the last three years, and it proved successful. Thanks to the efforts of Vernon Parker and his continuous practice, after regular practice, at Stanislaus stadium.

John Ginn, who was sidelined with a knee injury last week will be ready for Lumberton, and Homecoming.

BAY HIGH BAND MEMBER PLAYS WITH NAVY BAND
Herbert Wilkinson, clarinetist in the Bay High Band was one of several coast students playing in the U. S. Navy Band in their concert at Biloxi Thursday, October 18.

The Bay High Band, 28 strong, was present at the concert. A highlight of the concert, for the girls, was the singing of baritone Julius La Rosa. The English Post Horn Solo by Frank Scimonelli was also received heartily by the students. The band members enjoyed the whole program, which ranged from Bach to "Bo" in its content.

OBSERVANCE OF UNITED NATIONS DAY

To commemorate United Nations Day, October 24, the guidance corner of the library has been devoted all week to the United Nations. In the center of the bulletin board is a large poster displaying the U. N. emblem and listing the commissions of the organization, devoting their relationships toward affecting the realization of world peace, freedom and security. Surrounding this large poster are four smaller ones, each emphasizing one of the four freedoms. Speech: Worship, Want, and Fear.

On the stand below the bulletin board can be found pamphlets on the International Bank, UNESCO, Korea and other subjects with which this world organization is concerned.

Similar material is also provided on the bulletin boards in the Social Science Department. Students have been especially attracted to the colorful poster depicting the flags of the various members Nations. Interest is also centered on the Preamble to the United Nations Charter and to the signatures affixed.

CLASS MEETINGS
On Monday of this week the regular monthly class meetings were held during the activity period. The juniors and sophomores settled the matter of dues for the year. The freshmen selected blue and white as their colors and the red rose as their class flower. The seniors reported that their class rings have been ordered with a promise from Mr. Hendricks, of Herrf-Jones Jewelers, that they will be delivered for Christmas. The rings are of "Hollywood" design with the school crest.

ELEMENTARY NEWS
All the elementary rooms are gaily decorated for Halloween. The children have been busy, even the little first graders, making decorations. Plans are being made for parties in the different rooms.

Through the efforts of the mothers, Miss Saucier's second grade has secured a combination radio and record player. The pupils are thrilled over this grand gift and are looking forward to listening many new songs.

The fifth grade gave a program at Assembly Friday morning, October 19. The class sang several autumn songs. The following children

gave recitations: Cora Mae Vetter, On Halloween; Margaret Favre, Autumn Travels; Nerle Sones, Autumn; Baynard Chamberlain, Just Right.

Mrs. Paul Miller accompanied a group of students to New Orleans Wednesday, October 24, to hear the operetta Die Fledermaus by Johann Strauss.

CLERMONT NEWS

Mr. and Mrs. Leo Bourlet spent their honeymoon at the Bourlet cottage on Oak street.

Mr. and Mrs. Joseph Bourlet, Mr. and Mrs. Doyle Garcia and son, Doyle, Jr., Mr. and Mrs. Johnny Gleason, Mr. and Mrs. George Gleason and daughter, Rose Mary, and Mrs. Vic Bourlet spent Sunday at the Bourlet cottage.

Wilson Planchard is recovering from a major operation he recently underwent in a New Orleans hospital.

The people of this community extend their deepest sympathy to the family of Mrs. O. Ladner who passed away October 16.

Mrs. Bill Garcia and sons, Billy and Glenn, left Sunday for California.

St. Ann's Altar Society of Clermont Harbor will meet Tuesday, October 30, at 2:30 p. m. at the home of Mrs. A. J. Carrick on Bordages street. All members are urged to attend.

NEWS OF OUR COLORED PEOPLE

Among the weddings of the season was that of Elaine Petronilla Raboteau, only daughter of Mr. and Mrs. Alfred Raboteau, to Roman Morgan Piernas, son of Mr. and Mrs. Jules Piernas of Pass Christian. The nuptials were celebrated at St. Rose De Lima Catholic church Saturday with Rev. Father P. J. Boerding officiating. The church was decorated in white gladiolas and small white chrysanthemums.

The bride marched up the aisle on the arm of her father to the strains of Mendelssohn's Wedding March played by Sister Isentrude. She wore a dress of white slipper satin and chantilly lace. The tight-fitting bodice had a deep yoke of chantilly lace forming a V at the waistline of the front and back of the dress. The yoke and the long fitted lace sleeves were trimmed with tiny beaded mother of pearl sequins. The full length white satin skirt, with a deep pleated inset of lace, ended in a long flowing train of lace and satin. Her veil of illusion was held to her head with an orange blossom wreath. She carried a bouquet of white carnations, lilies of the valley and yellow throatied orchids, and a Mother of Pearl Rosary.

The bride had as her matron of honor Mrs. Marguerite Fernandez of New Orleans and as her maid of honor Patricia LeVigne also of New Orleans, who wore dresses of green net over satin and orchid bodices, were shirred, with deep round neck and bare shoulder design. Each wore hats of net and lace trimming and matching color satin pumps. She had as her bridesmaids her cousin, Gwendolyn Curry, and Racile Favre wearing pink and blue net dresses identically styled with tight fitted bodices. Each of the attendants wore small strings of white pearls and carried bouquets arranged in umbrella fashion with salmon colored gladiolas and matching colored ribbons.

Acting as herald was Bernard Labat; ringbearer, Richard Smith; trainbearers were Wanda Raboteau, cousin of the bride, and Sandra Fuller; flower girls were Brenda Labat and Odette Florence Curry. Acting as best man was the groom's brother, Rosamond Piernas, and as groomsmen his brother-in-law, Steve Hunter, both of Pass Christian.

A reception followed the wedding at the home of the bride's parents on St. John street where the bride received her guests in a dress of brown crepe and matching accessories. Among the out of town guests were Mr. and Mrs. Charles Fernandez, Mr. and Mrs. Louis Wilderson, Mr. and Mrs. Earnest Wilderson, Mr. and Mrs. Addison Piernas, Mrs. Ada Wilcox, Robert Smith, James Edwards, Sylvia Miller, Mrs. Octave LeVigne and daughter, Joel, all of New Orleans.

The couple left on a wedding trip; the bride traveled in a gray suit and chapeau with purse and shoes of matching gray and black.

The bride is a graduate of St. Rose De Lima High School and Nedra School of Cosmetology, New Orleans. The groom is a veteran of World War II, having served in Alaska.

CARD OF THANKS

I want to express my sincere thanks for the kindness shown me following my recent accident.

Special thanks to the staff of the Kings Daughters hospital, the doctors and Mrs. V. E. Lizana.
Mrs. R. J. Patterson

scribed in said Deed of Trust as follows, to-wit:

Lots 1, 2, 3, 4, 5, 6, 7, 8, and 9, of Block 5, Santa Rosa Subdivision, Hancock County, Mississippi, as shown on the official plat thereof on file in the Office of the Chancery Clerk of said County. Also, beginning 985 feet West of the SE corner of Lot No. 5, Section 19, Township 7 South, Range 16 West, and run West 640 feet to corner, thence North 6 degrees East 1980 feet for place of beginning; thence run North 72 degrees East 366 feet to the South Margin of U. S. Highway; 90 right-of-way to the NE corner of Lot No. 1, Block 5, of the Santa Rosa Subdivision; thence continue along the East margin of said Lot No. 1 in Block 5, Santa Rosa Subdivision unto cock County, Mississippi.

The land herein above described may be further described as follows, to-wit:

Beginning at the point where the SE line of Lot No. 1, Block 5, Santa Rosa Subdivision intersects the SW line of State Highway No. 43 thence S 50 degrees W 339.8 feet to an iron stake, thence N 74 degrees E 366.5 feet to an iron stake set on the SW line of Miss. State Highway No. 43, thence Northwest along said Highway 150.9 feet to the place of beginning. Containing one acre more or less and being part of Section 19, Tp. 7 South, Range 16 West, in Hancock County, Mississippi.

Advised, posted and dated this 5th of October, 1951.

PLAN CEMETERY CLEAN UP

By Jay Metz

The Logtown Cemetery Trustees recently announced that Saturday, October 27, has been selected as "Clean-Up Day" at the local cemetery. This is an annual affair in preparation for the many expected visitors on All Saints Day.

The Trustees invite those of you who have friends, relatives or loved ones buried in this cemetery to be present there Saturday morning, afternoon or both, to assist in the clean-up job to be done.

Tickets went on sale Monday for the Pancake Supper to be held at the school lunchroom October 31, Halloween night. The first allotment of tickets was given to the school children to sell. As an inducement to them, if any youngster sells ten or more tickets for the supper, he or she will receive one admission for himself free.

The Committee asks that everyone purchase a ticket whether he will be able to attend or not, for any profit resulting from the evening's entertainment will be turned into improvements or classroom equipment at the school. And don't forget, two movies of approximately one hour each are being planned.

Work is scheduled to start this week on installation of fixtures and plumbing in the restrooms at the school.

The barge, which has been stationed at the dock here for the past few years, was recently transferred to a new location. As a result, a moderate, but temporary, unemployment situation was created here for most of the workers employed were residents of this or nearby communities. Some of these men have already resumed work, either at Chrysler or at Higgins.

From where I sit... by Joe Marsh

Guess They Felt Pretty Sheepish

My wife and I went to Central City Saturday for the football game and it was a top-notch. But I began to wonder if it was worth the trouble when we got in a traffic jam coming home. Traffic makes me mighty impatient. When I came to a stop, I turned around and pointed towards the main highway. I turned into it. This road bums along for maybe a mile, then catches up short by the railroad—a dead end.

So, I turned around and earned it if there weren't twenty cars behind me! One driver had followed—figuring I knew a short cut—then a whole string of them sawing after him, like sheep.

From where I sit, there's no sense in just "following along." Whether it's choosing a road, a movie star, or what beverage to drink at meal time, it's always better to make your own decisions. Personally, I often like a glass of beer with my dinner, but most of all, I like the freedom of making up my own mind about it!

If your telephone bills were paid with cotton

During the past ten years the price of cotton has risen approximately 300 per cent while the price you pay for telephone service in Mississippi has risen only 32 per cent!

Yes, the price Mississippians pay for telephone service has advanced far less than the prices of beef or corn or most other commodities... and it has lagged far behind our advance in wages or family income during this period.

Bear in mind, too, that during the past 32 years public demand for more telephones and better service in Mississippi has required your telephone company to raise and expend more than 50 million dollars of new capital to expand its list of subscribers from 103,000 on January 1, 1914 to more than 230,000 today!

Growing Mississippi's demand for more telephones continues. To meet this, Southern Bell must continue to secure new capital from investors, and that requires telephone rates which yield a return that interests investors.

P. T. A. Schedules Halloween Party

The public is cordially invited to attend a Halloween Carnival to be sponsored by the P. T. A. and given in the Pass Christian High School.

Among the attractions will be refreshment booths where home-made cookies, cakes, cold drinks, and candies may be purchased.

There will be a prize for the most suitable costume. Other features include a Waltz contest, and a Jitter-Bug contest. Bingo games are planned.

Funds derived from the entertainment will go into the P. T. A. treasury. Primary purpose of the event, however, is to give children and youth an opportunity to celebrate Halloween in an organized way.

Good Citizenship Contest To Close

Boys and girls of the sixth grade in the Pass Christian Public School have organized a Good Citizenship Club with Kaye DeMetz, president; Byron Humphreys, vice president; and Barbara Albin, secretary-treasurer.

A prize of \$5.00 has been offered by a civic minded resident of Pass Christian, who wishes to keep her identity a secret, to be awarded to the boy or girl who submits the best paper on "Pass Christian History." Purpose of the contest is to stimulate more interest among club members in the background, history and traditions of the town.

Papers are to be submitted to the judges with only an identifying number—no name to appear—and unbiased judges, well acquainted with the history of Pass Christian, will decide on the winning paper. Judges promise to announce their decision early in November and a copy of the winning essay will appear in the columns of the Sea Coast Echo. The Pass Christian Town Library will also record a copy of the essay.

Methodists to Serve Coffee and Do-Nuts On Every Sunday

Reverend Forest Blount, pastor of the Pass Christian Methodist Church located on Davis Avenue, has invited the public to come at 9:30 every Sunday morning for an informal pre-Sunday gathering.

It gives churchgoers a chance to have a little visit while enjoying hot coffee, and do-nuts and chocolate.

DeLisle Host To M. Y. F. Song-Fest

A song service was held Monday night by the Methodist Youth Foundation of Pass Christian at the beautiful bayou home of Mr. and Mrs. James O'Livier of DeLisle.

Program included a male quartette from Hattiesburg brought down by Reverend Forest Blount, a duet by Bruce Stewart and Terry Farrion of Pass Christian, and a community-sing group led by M. Y. F. members.

The service included candle-light cross formation from boats floating in the bayou. The service was well attended by an estimated 150 persons.

Following services refreshments were served.

High School Students Give Panel Discussion On Money Allowances

When the Pass Christian Parent-Teachers Association met Thursday evening, October 18, the program under the direction of Mrs. Earl Noland Saucier and

Robert Kneeland, centered around a panel discussion from high school students on allowances and expenditures.

Coffee, tea and cookies were served by Mrs. Donald DeMetz, hostess, with the assistance of co-hostesses Mrs. Royal Hagerty, Mrs. William Robinson, Mrs. Walters Terrell, Mrs. P. S. Pugh, Mrs. Roy Moffitt.

Mrs. Warren Adam, president of the P. T. A. announced that the November meeting would be held on the third Thursday afternoon of that month at 3:30. This program to be under the direction of Miss Adele Bielenberg, Mrs. Kenneth Murphy and Mrs. Frank Lindsey, will feature children from the fourth, fifth and sixth grades.

Juniors Feted At Breakfast Sunday By Mrs. W. Clark

In recognition of Youth's Sunday, Mrs. Willis Gaylord Clark was hostess Sunday morning at a breakfast in the Trinity Episcopal Rectory for members of her junior class immediately following their Corporate Communion.

The spacious living room, dining room, hall and porches were informally arranged with groups of small tables. Scrambled eggs, jellies, toast, coffee, and milk were served.

Those attending the breakfast included Patsy Kimball, Alice Farragut, Nancy Hartley, Barbara Allen, Anette Kuykendall, Lillie Etta Carco, Mary Ruby Kalif, Warren Adam, Kenneth Torgeson, Woodrow Carco, Byron Humphreys, Phillip Lee, and guests, Bernard Saucier and Joe Elbert Allen.

Assisting Mrs. Clark were the group's sponsors: Mrs. Earl Noland Saucier, Mrs. J. K. Meuthner and Mrs. E. A. Allen. Seated with Dr. Willis Gaylord Clark, pastor of the church, were Dr. Earl Noland Saucier and J. K. Meuthner.

LOCAL GIRL SCOUTS' HALLOWEEN PARTY TO BE HELD MONDAY

The Girl Scouts of Miss Adele Bielenberg's troop will meet Monday evening at six in the school Band Hut for their annual Halloween celebration. Of course, it will be a costume affair and there will be prizes galore.

Scout mothers, as always, will make surprise contributions so that refreshments will be varied and bounteous.

Scouts include Patsy Kimball, Betty McCollister, Sally Bishop, Mildred Logan, Margaret Wittmann, Elaine Noto, Mary Catherine McDonald, Jo Ann Cuecas, Betty Hill, Mary Ruby Kalif, Molly Barksdale, Nancy Hartley, Kaye DeMetz, and Barbara Allen.

At their regular weekly meeting held last Monday the girls were taught to make attractive hot dish mats woven from crepe paper.

United Movement of Church Youth Elect Officers at Trinity Church Breakfast

The Teen-Age Class of the Trinity Episcopal Church met Sunday morning with 100 per cent attendance to attend Youth's Sunday Corporate Communion. Following the services the young people together with their advisors, Mrs. O. R. Heistand, and sponsors Mesdames Royal Hagerty, P. S. Pugh, William Robinson and Charles Farragut, assembled in the Parish House where they were served fruit juice as an assortment of hot breads and jellies and hot chocolate.

Officers for the United Movement of Church's Youth were elected with Royal Hagerty, Jr., as president; Fred Munch, vice-president; and Susan Moffitt, secretary-treasurer.

The U. M. C. Y. meets every second and fourth Monday night in the parish house.

Shipwreck Dance Slated For Tonight In Pass Hi Gym

A Shipwreck Dance will be held Friday in the Pass High gym to which the general public is cordially invited. The dance will get underway about eight o'clock to the accompaniment of peppy band music.

The general idea is that every one attending the dance must outfit himself in a get-up similar to a garb he would don if he had to rescue himself from a sinking ship in the dead of night.

Judges will award a prize for the best costume—one boy and one girl to be picked as winners. Funds from the dance go toward defraying expenses on the school's annual.

Linda DeMetz Birthday Feted

Close friends of Miss Linda DeMetz, daughter of Mr. and Mrs. Donald DeMetz, gathered in the family home at 134 West Beach to celebrate Linda's seventeenth birthday on Saturday last.

A home made cake and ice cream were served the group, which included Misses Patsy Martha and Martha Stewart, Royal Hagerty, Bobbie and Harold DeMetz, Gene Cagle, Oliver Collins, and Porgie Fava.

Chairman Named For Y. S. League

On Monday night, October 22, a group of 15 teen-age members of the Trinity Episcopal Church met in the Parish House with their advisor, Mrs. O. R. Heistand.

The group is a branch of the United Movement of Church's Youth. They have named their organization "Youth's Service League."

At this meeting Marion Moffitt was elected Fellowship Chairman.

Woodcock Child Critically Hurt By Auto Sunday

Little Pamela Woodcock, four year old daughter of Mr. and Mrs. Clifford Woodcock of Gulfport, was seriously injured at 12:30 Sunday afternoon when struck by an automobile as she attempted to cross Henderson Avenue in front of her aunt's home.

The child was taken to the hospital in Bay St. Louis and later transferred to the Gulfport hospital where X-Rays showed two skull fractures and internal injuries.

Mrs. William J. McDonald, the child's aunt, said she was an eye witness to the accident. She stated that the car knocked the little girl about six or seven feet from the place she was standing when hit, and that the car came to a stop and did not run over the child. She said Mr. Cipolina, operator of the automobile, did all possible to avoid hitting the little girl and had shown great consideration and concern over her condition since the accident.

PASS HIGH NEWS

The student council met Thursday to consider the deeds of six sophomore and junior boys who displayed disorderly conduct on study hall.

The senior class met and chose the following officers: president, Royal Hagerty; vice-president, Linda DeWet; secretary-treasurer, Patsy Mathis; sergeant-at-arms, Troy Howell.

Beatrice Stephenson was chosen as candidate for Queen of the Harvest Ball.

Three members of the economics class went to a meeting of the Mississippi Economics Council in Gulfport.

They were Estelle Marshall, Jimmy Terrell and Don Denis.

The juniors elected the following officers: president, Joan Benigno; vice-president, Carol Ladner; secretary-treasurer, Marietta Ladner.

The sophomore officers are: president, Dan Verboise; vice-president, Suzie Moffitt; secretary-treasurer, Majorie Lively; student council representative, Charles Mangum.

The freshman civics class went to a citizens' meeting Tuesday in the Markham hotel in Gulfport. Mr. Smith was in charge.

The seventh grade news is very short, but it will give you a brief report.

We had our election and the results were: Mary C. McDonald, Betty Hill, Richard Wamire.

And Eric Hearn—down to report.

NATURAL GAS for You

...and for Industry too!

To bake a single home-made cake... or to operate the largest commercial bakery, there's an adequate supply of low-cost natural gas in the Gulf South. Natural gas is the preferred fuel for homes, businesses and industries alike—the fuel that is helping to make the Gulf South the brightest industrial location in the nation.

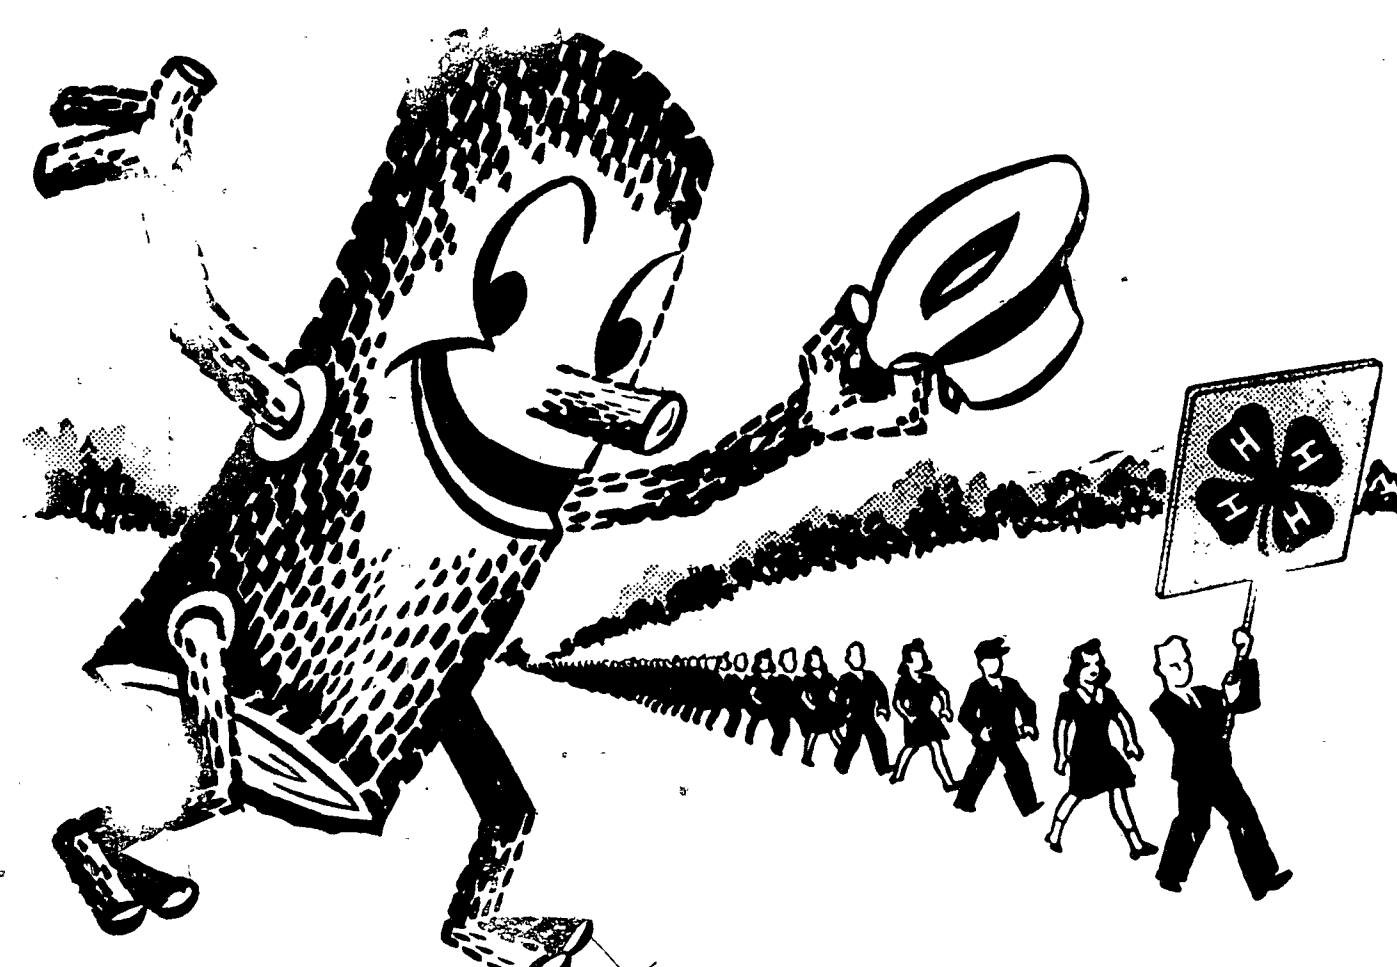

There are now more than 200 gas fields in Texas, Louisiana and Mississippi connected to the United Gas system. These diversified sources of supply are assurance of dependable service in every community now obtaining gas from our system, or which may be added to our lines in the future.

PLAN 3 HOUR PICTURE SHOW

Sunday night at 6:30 there will be a three-hour picture show at the Civic Hall for the benefit of the Lakeshore Children's Christmas party. Jules Schroth will give his services and furnish a Hop-A-Long Cassidy western and many other interesting features.

Be sure and attend for you may see yourself on the screen. Mr. Schroth will show a movie of square dances he has taken and a number of residents in our community will be seen in action. Admission will be 30c for adults and 10c for children.

William Lusich has extended an invitation to all young men in Lakeshore who are interested in forming an independent basketball team, to meet Tuesday evening, October 30, in the Gulfview gymnasium. At this time a team will be formed and practice dates will be set.

On October 18 John Hourbeight celebrated his birthday in Veterans hospital. This past weekend Mr. Hourbeight was allowed to come home on a pass, returning to the hospital for further treatment, Sunday evening.

Mr. and Mrs. John Furr, who formerly resided in Clermont Harbor and now live in Bay St. Louis, write that they are on an extended vacation that has taken them as far North as Niagara Falls, New York.

William Lusich spent last weekend in Baton Rouge, Louisiana, as a guest of Mr. and Mrs. P. D. Anthony.

Mr. and Mrs. L. Villamil and their grandson, Irvin Green, Jr., motored to New Orleans last Wednesday to visit Mr. and Mrs. L. V. Strickland and family.

The sympathy of the entire community is extended to Andrew Ladner and Wesley Ladner whose mother passed away in the family home in Lakeshore early Wednesday morning, October 17.

Mr. and Mrs. Frank Nuccio of Bay St. Louis visited Hourbeight's Myrtle Grove Farm Saturday evening.

Mr. and Mrs. Hebert Peterson and family of Clermont Harbor motored to Lakeshore Monday afternoon.

SELLERS VOCATIONAL HIGH SCHOOL NEWS

A P-T-A. meeting was held at the Sellers High School October 17, for the purpose of organizing and electing officers for the term. The meeting was set for Thursday instead of Friday because the ball team had scheduled a game for Friday night.

The faculty members of the school attended a meeting of teachers and lunchroom employees from the county at Lakeshore school.

The high school was called to assembly at 9:15 for devotion by Rev. Father M. J. Fox and a missionary priest. Everyone enjoyed the talk.

Sellers Greenwaves opened their 1951-52 basketball season last Tuesday night, October 16, with a victory at Success.

The Greenwave boys won by a score of 38-14. Murdock Carson was high scorer for Success with five points.

Joe Thrash was high scorer for Sellers with 14 points. Both teams put up a good game all the way through.

The girls lost to Sellers by a 23-13 score. It was a tight game. The B team won their game over Success by a 7-12 score.

On Friday night, October 19, the Greenwave boys defeated Woolmarket at Woolmarket by a score of 28-23. That game was a thriller from beginning to end. The Greenwaves played a tight, man to man game, over the court. N. Plummer was high scorer for Woolmarket with nine points. Houston Ladner topped the list for Sellers with 10 points.

The girls lost 20-23. Coach Ladner stated that the girls and boys are in good condition. The teams are interested in their training program this

year. He also stated that both girls and boys played good games against Success and Woolmarket.

He added that the teams were fully aware that much improvement can be made over the season, and that the players were interested in team and individual improvement.

Pvt. H. T. Carr
Completes Basic

Private Hugh T. Carr, son of Mr. and Mrs. H. T. Carr of Clermont Harbor, Mississippi, recently completed 16 weeks of basic training with the 8th Infantry Division at Fort Jackson, South Carolina, as a member of the 13th Regiment, Company "E."

Private Carr entered the service last June.

During basic training he fired the standard infantry weapons, engaged in platoon and squad tactics, underwent intensive physical training, and is now qualified to serve in a combat or service-type unit.

Katherine Hebert has as her guest, Margaret Krumpal of New Orleans, at the home of her parents, Mr. and Mrs. John Hebert.

Mrs. A. J. Patterson, who was entered into the Kings Daughters Hospital on October 11 following an automobile accident on Highway 90, left by plane on Tuesday of this week for her home in South Carolina accompanied by her physician who flew here from Bennettsville for the purpose of accompanying her home.

She was taken to New Orleans by Fahey ambulance to board the plane.
